Superintendent's Highlights

The excellent performance by the Hansen students on the Direct Writing and Direct Math Assessments was the major highlight of the year. Our students scored very well surpassing both local and state averages.

The 1998-99 school year will be the first in the newly completed Hansen Jr./Sr. High School. While the students enjoyed the instructional section of the new school, the staff had to wait until this year to move into the administrative wing.

Our advances in the technological realm have surpassed our expectations. Students and staff have become more literate in every aspect of technology, computers and communications.

Due to staff, community and students, this was a fantastic year.

Progress Towards Meeting District Goals

1997-98 Goals	Progress
Citizenship	With staff and students, the Hansen schools strive to continually produce not only premium scholars but also quality individuals. Through Kids Care, Natural Helpers and other programs geared at peer relations, our students are learning self esteem and self respect.
Drug Free School	In order to provide incentives and assistance, the Hansen Schools will be trying a limited program of drug testing of extracurricular participants for the 1998-1999 school year.
Updated Policy	Policy Manual and Student Handbook was rewritten to provide the most comprehensive, current documents possible. Student Handbook was adopted in June while the Policy manual is still "a work in progress."
Teamwork	With only two exceptions, our staff will be returning for another year. The time and effort expended by our people is showing in the enhanced, productivity of our students.
